

# BIOLOGICAL TERRAIN MANAGEMENT PROGRAMME

Restore & Energise your biological terrain

## Crystal Energy® Nutrient Transporter

1. Increase body fluid circulation & hydrates all cells
2. Enhance nutrients delivery
3. toxins elimination
4. Rebalance body pH level
5. Lower water surface tension for easy absorptions

### Recommended Usage:

- 2.5 ~ 3 liters of Crystal Energy® treated water daily
- 50 drops per liter

## Mega H® NADH Booster (Cellular Energy)

1. Negatively ionised hydrogen (H<sup>-</sup>) in atomic size can directly work inside cells (mitochondria) for energy production (ATP) – make your body works
2. Controls and reverses cell damaged by oxidative free radicals
3. Increase oxygen uptake
4. Antioxidant capacity is 800% more effective than other antioxidants products

### Recommended Usage:

- Take 2 capsules 1 to 2 times daily follow with 200ml of water
- Gradually increase to 2 capsules x 2 times daily for better result

\*It is advisable to take Mega H® at least 2 hours after your medications.

## Metazyme®

### Total Systemic Enzyme

1. Patented AES Mineral Blend
2. Contains 7 enzymes
3. Over 77 types of organic plant-sourced minerals
4. For digestion and decomposition
5. Broad active pH range (pH1.7~11)

## FulMin

### Healthy Cardiovascular for Life

1. High concentration of fulvic acid (up to 12%)
2. Enhance cardiovascular function
3. Enhance blood vessel elasticity
4. Enhance minerals absorption
5. Improve overall cellular function
6. Reduce total cholesterol
7. Boost metabolism

#### Recommended Usage:

- First 14 days (total 5 sachets/day)
  - ◆ 1 sachet in the morning
  - ◆ 1 sachet follows with each meal
  - ◆ 1 sachet before sleep
- Thereafter daily (total 3 sachets/day)
  - ◆ 1 sachet follows with each meal

#### Recommended Usage:

- 10ml per day

#### Optimal Usage:

- 20ml twice a day
